### **Christian Aid**

Joy Sheehan held a coffee morning in support of Christian Aid on the delightful Saturday morning of the 5<sup>th</sup> June, at which over €879 was raised. Thanks to Joy for the hospitality and to all those who supported it particularly those from the wider community.

### **Confirmation**

On Sunday June the 13<sup>th</sup> Confirmation Service was held in St James' Church Mallow. Six candidates confirmed where Sara Barnby, Jonathan Hartnett, Emma Brennan, Rebecca O Reilly, Gladys Sherlock and Victoria Woulfe. We would like to say a special word of thanks to Bishop Paul who came to us on the back of what was a very busy week for him with the Institution of Canon Patrick Hewitt in Youghal on Tuesday and Rev. Brian O Reilly in Cobh on Wednesday and the Diocesan Synod on Saturday. The Bishop in his excellent sermon encouraged us to be like Zakumi the Mascot for 2010 World Cup, Zakumi is jolly, self-confident, adventurous, and spontaneous, he is warm-hearted and caring, and wants to make as many friends as possible to connect with others and break down language barriers. He always carries his football around which he will use to invite people to play with him. He has therefore learned to adapt to new environments; enjoying the diversity in nature and people across the African continent. He is a proud South African and wants to ensure that the world will come together in South Africa, Zakumi's main priority is to turn the 2010 FIFA World Cup South Africa into one huge, joyful and unforgettable party and show the thousands of international guests the warmth and spirit of the African continent.

Bishop Paul encouraged those confirmed and the congregation to endeavour to live out the Christian life in the same way Zakumi seeks to fulfil his mission as 2010 World Cup Mascot.

At the Synod on Saturday the Bishop paid tribute to those in our parishes who give so generously of their time and talents in the building up of God's Kingdom amongst us. In this context I would like to thank all those who put a lot of work into getting the Church ready for the confirmation service, John Coulter and his merry band of helpers, Dinny "stremmer" Dineen, Ed Winters Organist and grass cutter, those who gave flowers and helped with the flower display, all those who prepared the refreshments, served them and washed up afterwards. The Church Wardens, Collectors, the Choir and Musicians, Charlotte Kitto Guartist, the Ladies Singing Group, Brid Brennan and members of the Childrens Choir. Avril Gubbins Diocesan Reader. All those who baked or donated cakes and biscuits.

### **Engagement**

## **Church 21 Follow-up Day**

On the 19<sup>th</sup> of June some of us went to Dublin to attend the Church 21 Follow-up day. Initially we were a bit anxious because we felt we hadn't achieved very much. However, having heard from the other groups there, we were greatly encouraged because we realised that a lot of the new things they were trying out, we were already doing, like welcoming people, tea/coffee, etc.

Bishop Ken Clarke spoke to us about ministering where you are. He spoke of meeting someone casually in a filling station. That person turned out to be suicidal and he was able to minister to her there and then. On another occasion he had an interesting conversation about faith with his hairdresser! She didn't know who he was and she spoke freely to him.

A lot of the morning talk was about reaching out. We used to think that we were at a disadvantage because we are so scattered but now we realise that in fact, it is an advantage because we have to reach out to those around us. In a more compact parish where everybody lives in the same area, people tend to mix only with the members of their own church. This doesn't help church growth.

Things are starting to come together but it is in God's time, not ours. He builds His Church; we just have to be available. Please continue to pray for a renewal in His Church.

### **Reflection on Church Mission-Matthew 28.19-20.**

On the 19th of June the church 21 meet in dublin looking at vision for the future and many people bring all kind of road signs we learnt a lot from this .That remind me about the mission and the vision of Jesus,while Jesus was in the street preaching the Pharisees and the sadduces are in the temple talking about the tradition and the law.

The great commision MT.28 19-20 is the basis of church growth and the road signs,paul said in 1Cort 3.9-13 Christ is the masterbuilder for other foundation can no man lay than that is laid. The basis of church growth lies on evangelism, Lord is more concerned about our faithfulness in this great commission than our usefulness we are all called on not to be successful but to be faithful in preaching the Gospel.

It is now to reach out to the people and tell them that Christ love them and die for all think about this .

Jesus is Lord.

## **TimeLine**

We in Mallow as part of the Church 21 project have decided that with the help of Parishioners providing photographs we would like to create a time line. This would show people where our Parish has come from, is now and hopefully show where we would like to be in the future. Photos required anything depicting life in the parish both past and present. This cannot be done unless people are willing to donate photographs. Please give photos or any other relevant information or materials to Susan Brennan, 086-3530401 before the end of July.

As we intend this to be a permanent display, we cannot guarantee the return of any photos contributed, so we would advise you to copy any photo you may wish to contribute to the Time-Line.

## **Concern Worldwide**

The Doneraile congregation have the privilege of meeting John Reid on regular occasions as he visits his sister Mrs. Charles Harold-Barry, when he is on furlough from North Korea where he is working on behalf of Concern. Readers may be interested in extracts from this recent letter from Pyongyang, from where he writes:- I am looking after the agriculture projects here which include helping the local farmers to improve crop production, especially on the hill sides or sloping land. They have a lot of problems with soil erosion and deforestation so we are helping them to plant trees and to grow their crops in a more environmentally friendly manner... We are also carrying out crop trials to help find better crops and varieties for the sloping land ... As it's very cold in winter – around 15-25 degrees below Celsius on the farms, we have provided some special Chinese designed winter proof greenhouses so they can grow fresh vegetables all through the winter so as to improve the nutrition in the diet...” Cathrine Dunyan a Field Officer from Concern in Dublin has recently visited Pyongyang where John works and reports that he is doing a great work there to assist local farmers.
